

LINE RIDER - Question Guide

Here is a guide to help you out when answering your questions for your line rider song.

#1 - this is an overall opinion on the ride - discuss the melody, maybe mention if the pitch goes higher and/or lower, does it sound smooth/jagged/bumpy/staccato/accents - open up your answer with a creative sentence. Do not use - "I chose ... because"

#2 - dynamics = volume of sound

- discuss what it starts at and if there are any changes throughout - use either the time sequence or form (verse/chorus) to help describe where it changes - use your dynamics and tempo sheet to help you out
- Level 4 is using the symbol, Italian term, and its definition

#3 - tempo = the speed of the song

- same as #2

#4 - find one part where you think the ride could have been different - explain where and why using music terms
