

# Line Rider - Part Two!

Now that you are experts, here is your task. Choose one of the following Line Rider videos:-

- Something Just Like Liszt - by The Piano Guys
- Take On Me
- Avengers
- Eine Kleine Nachtmusik
- Believer
- Super Mario Bros.

Answer the following questions after watching the video numerous times. Refer to the Line Rider Questions Guide on my website [mssandersclass.ca](http://mssandersclass.ca)

1. Did the ride suit the music well? Discuss if the melody went up did the ride go up and/or down? Did it sound and move smooth/jagged/bumpy etc?
2. What were some of the dynamics you heard? Use your Italian terms.
3. What was the tempo? Did it ever change? Can you be specific when it changed? Use Italian terms.
4. If you were to change anything in the video what would you change and why?

# CREATE

You are now going to create your own Body Percussion to your song. I will help with the form so you understand where the new sections are. Remember in the Mountain King there was an A, A2, B and C. You may have this too. Check out the examples on how this can be done. You will do your rough copy on your staff paper and let the teacher check it over. Also, you may start your performance anywhere in the song. You don't have to start at the beginning.

# PRESENTATION!

How can you present and hand in all of your amazing work?

Here are some ideas:-

- write/type out your answers, write out your body percussion, perform in front of the class, make a video, create a commercial advertising that your choice was the best and share your answers, a slideshow, an idea of yours?

You will be sharing with me your proposal for presentation.

Good Luck and Have Fun!
